## **MYAthletics CODE OF CONDUCT**

PLAYER'S CODE:	COACH'S AND PARENT'S CODE:		
Play the game for the game's sake.	Children have more need of example than criticism.		
Be generous when you win.	Make athletic participation a positive experience.		
Be graceful when you lose.	Attempt to relieve the pressure of competition.		
Be fair no matter what the cost.	Be kind to your child's coaches and to officials.		
Obey the laws of the game.	The opponents are necessary friends.		
Work for the good of your team.	Applaud good plays by your team and by the opponents.		
Accept the decisions of the officials with good grace.	Enter the field of play at request of official or coach only.		
Conduct yourself with honor and dignity.			

Between the exuberance of the winner and the disappointment of the loser, we find a person called an official. All of them follow the same creed: to watch every move of every player and to call the game to the best of his/her ability.

- Do not openly question his/her judgment and never their honesty. He/she is a symbol of fair play, integrity, and sportsmanship.
- Accept the results of each game. Encourage the child to be gracious in victory and turn defeat to victory by working towards improvement.

## **SPECTATOR'S CODE:**

- 1. WE WILL REFRAIN FROM BOOING OR YELLING AT OFFICIALS OR ENTERING THE FIELD OF PLAY AT ANY TIME DURING A GAME BECAUSE WE ARE AWARE OF THE FOLLOWING:
  - Such behavior on our part sets a poor example of sportsmanship.
  - Such behavior reflects negatively on our community, our team, and ourselves.
  - Most officials make the correct calls, even though we sometimes see the incident otherwise.
  - Poor calls usually balance out and incorrect calls seldom affect the outcome. Officiating is difficult and none of us are perfect.
  - DURING A GAME WE WILL REFRAIN FROM YELLING AT PLAYERS ON EITHER TEAM BECAUSE WE ARE AWARE OF THE FOLLOWING:
  - They are young people, who, due to limited experience and great enthusiasm, may make mistakes.
  - Encouragement and praise should be made in public; criticism is best made in private.
  - The coach is best equipped to analyze and correct deficiencies in skills. Our attempts to be helpful in this respect may only confuse the players.
- 3. DURING A GAME WE WILL REFRAIN FROM BEING ARGUMENTATIVE OR USING ABUSIVE LANGUAGE TOWARDS FANS AND/OR PLAYERS ON EITHER TEAM BECAUSE WE ARE AWARE OF THE FOLLOWING:
  - Others are judging us on our actions and words. We will always strive to ensure that the result of this judgment is a verdict of SPORTSMANSHIP.
  - We will conduct ourselves in such a courteous and restrained manner that if called upon to do so, we could line up in front of the opposing supporters and graciously shake hands in the same manner that the players are expected to do so.

4. IF OUR TEAM LOSES, WE WILL DEMONSTRATE OUR ABILITY TO COPE WITH THE LOSS IN BOTH DEED AND WORD, BECAUSE WE ARE AWARE OF THE FOLLOWING:

- In athletics as in other aspects of life, it is not always possible to win no matter how supreme the effort.
- When victory eludes us, we must learn to accept it as graciously.
- It may just be possible that a loss is due to the fact that the opposing team played better.
- Our players should learn from our reactions to a loss that:
  - We feel they played their best.

2

5.

- There is no shame attached to an honest effort no matter the score, win or lose.
- There is always something to learn from a loss.
- There is nothing gained from brooding; players should be encouraged to put the game behind them and look forward to the next opportunity to play.
- Seeking scapegoats such as biased officials or poor performance is not a mature or healthy reaction to the loss.
- WHETHER AWAY FROM OR AT THE COMPETITIVE EVENT, OUR WORDS AND ACTIONS SHOULD CONVEY A PHILOSOPHY OF ATHLETICS WHICH INCLUDES:
- The real purpose of competition is to have FUN, to be able to participate to improve skills, to learn sportsmanship, to develop a sense of responsibility and selfdiscipline, to develop group loyalty and camaraderie to learn, to compete within established rules, to accept decisions of authorized officials and to develop sound minds and bodies.
